# HOCHTIEF listing in Dow Jones Sustainability Index renewed in 2019

### **Recognition for sustainable management for the 14<sup>th</sup> time in a row – Inclusion in index values HOCHTIEF's focus on sustainability**

HOCHTIEF has been included in the internationally renowned Dow Jones Sustainability Index (DJSI) for the 14th time in succession for its economic, environmental and social performance. The company is thus once again represented in the DJSI World and Europe indices.

Alongside integrity, accountability, innovation and delivery, sustainability is one of the HOCHTIEF Group's guiding principles.

HOCHTIEF also cooperates with the International Labour Organization (ILO) and as a member of the Global Compact of the United Nations, it supports its principles on labour standards, environmental protection and social responsibility.

**HOCHTIEF** is an engineering-led global infrastructure group with leading positions across its core activities of construction, services and concessions/public-private partnerships (PPP) focused on Australia, North America and Europe. With around 64,000 employees and a sales volume of about EUR 24 billion in 2018, HOCHTIEF's global presence is focused on developed markets. Via CIMIC, the Group is market leader in Australia. In the USA, HOCHTIEF is the No. 1 general builder via Turner. Flatiron ranks among the most important players in the field of civil works, mainly in transportation infrastructure. HOCHTIEF owns a 20% stake in Abertis, the leading international toll road operator. Thanks to its commitment to sustainability, HOCHTIEF has been listed in the Dow Jones Sustainability Indexes since 2006.
