

**3 NOVEMBER 2015      CIMIC'S LEIGHTON CONTRACTORS AWARDED QGC SURAT  
BASIN PROJECT**

CIMIC Group's construction company, Leighton Contractors, has been selected by QGC Pty Limited to deliver gas infrastructure in the Surat Basin, Queensland.

The project is expected to generate revenue of approximately \$250 million to Leighton Contractors over 18 months.

CIMIC Executive Chairman and Chief Executive Officer Marcelino Fernández Verdes said: "QGC's ongoing development of its world-class natural gas reserves is making a major contribution to the Queensland economy and growth of the LNG industry in Australia.

"CIMIC Group and Leighton Contractors bring significant international and Australian experience to the delivery of large scale oil and gas facilities."

Leighton Contractors Managing Director Román Garrido said: "Our integrated project management, engineering and construction capabilities provide clients with a single interface for all civil, structural, mechanical, piping, instrumentation and electrical work for delivering oil and gas facilities.

"We are pleased to continue our valued partnership with QGC and look forward to building on relationships formed with local subcontractors and suppliers."

Construction is expected to begin in late 2015 for completion in 2017.
